Dear Club,

Some girls have a real problem with cum – they don't like the mess, or taste, or texture or something. I think they're crazy – for me, seeing and feeling a bloke lose his load is the ultimate turn-on.

One boyfriend couldn't believe how much I relished sucking his dick. I gave his cock the full treatment and although he lasted longer than I expected, I had to pace things so he didn't shoot too quick. His prick wasn't actually in my mouth when he came – I was wanking him and sucking his balls. But I made up for it by licking up every drop from his belly.

When he was hard again I knelt up over his dick and used the head of it to frig my clit to orgasm. Then I took him inside for a few strokes before backing off to suck him again.

I love to have a man cum on my tits – so much so I'd call it an obsession. So, when I felt this guy start to hit critical mass, I let him slide out and pointed it at my boobs, feeling it splash over me as I stroked him while he spunked.

So far, the wildest fantasy I've realised involved a group jizz bath, something I'd really wanted after seeing a gangbang porno. I told Rob, a bloke I was dating – well, more of a fuck-friend really – and he fixed it up for me with a couple of his mates, when they visited with him at university.

I promised Rob he'd be the only one to fuck me, as I dressed up in garters, stockings and tight PVC knickers. I liked the guys – one of them, Tony, was barely taller than me, but he had the biggest cock of them all!

I just homed in on it, wetting it with my saliva before sticking it in my mouth. I could feel my lips stretch and soon I had a hard-on in each hand too. Tony didn't last too long and the first jet to the back of my throat caught me off guard. But I spit him out quick enough so that I got the rest of it on my boobs.

Next came the second friend, Warren, for his sucking. I just let him thrust in, taking it deep. Meanwhile, Rob couldn't wait so he got in behind – he loves my arse, and wanted to

wank off over the shiny knickers stretched out over my cheeks.

My cunt may have been off limits to our guests, but when Rob decided he wanted to fuck me, I had no problem with that! In fact, the underwear had been rubbing me into a near-frenzy – that and all the excitement had got me wet and ready for anything.

Rob frigged my cunt, while wanking with his other hand, then got my knickers down around my thighs so he could penetrate me. I let him do his thing, focusing on his mate's cock in my mouth. I counted, telling myself I could make Warren cum in less than ten sucks. I should have bet less than five. Okay, the last one was very hard and prolonged, but

I'm still
here boys!

NUDE ARRIVAL!

Dear Club,

Well I, for one, don't want to see the end of Sasha's reign of sexiness in *Club* but these things happen (I'm still trying to get over Lucy, my favourite redhead ever, who was the *Club* girl about 20 years ago!). And if it does happen, then I think Danielle Maye is a good choice. But, to be honest, there are so many lovely girls around at the moment, you could probably choose any of a dozen. How about uncovering a totally new girl?

Alistair, London

Well, we're always on the lookout for new girls, as are our photographers, because there's nothing quite like the feeling of discovering the glamour star of tomorrow. So we've got our eyes peeled and we're also open to more reader suggestions!

RUN FOR THE COVER!

Dear Club,

I can understand why Kiara was a little upset at not being on the cover of *Club* – she's the most beautiful women I've seen in a long time. I'd love to join her in front of that fireplace and make her even hotter. I'd have put her on the cover, in the centerfold and on every single page. Can we have her in *Club* again soon, please?

Tim, Bath

*Yes it was a close call Tim, but Sunny and Alyssa just edged her off the cover. We're sure the next time she's in *Club* – and we'll definitely be featuring her again, she's lush – she'll get promoted to cover duties!*

I felt his load rising in his balls in time to let him shower every drop on my tits.

Rob would just cum inside my cunt, I thought, but as his dick jumped and twitched inside me, he pulled out and piped a thick, gluey line of cock-cream along my arse crack. I moaned, with only my own pleasure to care about now, as it melted down onto my pussy.

Next, all three of them had a group wank – all beating their meat with me in the centre. Although Rob hadn't cum inside of me, my cunt felt so wet and squishy in my tight knickers as I sat playing with my tits. Tony came first, followed by Rob and then Warren. I yelled for Rob to lean his big mirror up against the wall next to me, so I could watch as all three loads dripped down on my belly and PVC-clad crotch. I got so mesmerised just looking at myself, I pulled my knickers down and sat frigging off over the sight of it.

Rob's friends left discreetly, then he got me on my hands and knees, spunk still dripping off of my tits, and did me from behind. Just minutes later, I had my best orgasm of the night with his prick ploughing me deep and the reflection of my quivering, spunk-wet body right in front of me...

BELLA END! ♣

Only kidding. She's just getting started...

Lovely Yank babe Bella Cole seems to be a bit schizophrenic. Not in a medical way, we hope, but in the 5 years of her porn career she's gone by Bella, Pepper, Nikki Anne, Nikki, Jennifer and Bella Sweet. It seems she can't make her mind up.

"Well, it all depends on how I feel," she reveals. "I'm not trying to be a household name porn star like Jenna or Tera, so I'll see how I feel on the day and I'll have that as my name. I tend to use Bella or Nikki-Anne most, it depends on which element of my personality comes out in the sex I have."

So what element are we getting today?

"Oh, you're getting the really naughty bit of me, that's the Bella Cole bit..." ♣

Sasha's Secrets

Every month, Club's sensational regular girl Sasha will act out your fantasies. She's not shy – write to her and tell her exactly what you want her to do. Who knows, you might be lucky enough to get Britain's fittest lass juicing up over your letter and then making it come to life. Oh, and she gets even dirtier online, where we've got the pics we can't show you in the mag!

Sasha

Sometimes I like to be a bit of a girly girl and flop around in pink – pink pyjamas, pink lingerie, pink everything. The best things in life are pink – tongues, nipples and pussies. Okay, dicks aren't pink, but they're nice and red when they're hard and straining to cum, and that's close enough!

My tastes are pretty simple when I'm masturbating. I'm cool with toys – check the website to see how cool! – but fingers are best – you can get to exactly the right places. And fingers are so much nicer to suck clean when they get all sticky. I love to do that when I give handjobs as well. I like to lie a guy down on the bed, so I can kneel on the floor with his cock in easy reach. It means he's looking right down at me, and I can give his balls a little suck while I'm doing my work. When he eventually shoots his lovely jizz, I don't stop stroking until every drop is out. By then my hands are coated in it. And that's when I suck and lick them clean, my pink tongue going to work! ♣

Dear Sasha

I'm sure you're well aware of the film *Indecent Proposal*. And my proposal for you is pretty indecent. I'm quite a wealthy businessman, but there's one thing I don't have that I want – you in my bed. I know it's a touch crass, but I'd pay anything for a night with you.

William, Chelsea

I'm sure you mean it nicely, William, but I'm quite offended! I don't sell myself in that way – if a man really wants me in his bed, he'll work at it. I'm not even an expensive date – be nice to me, talk to me properly, make me laugh and I'll do things to you that you can hardly imagine. But waving money at me is a real turn-off!

Dear Sasha

I reckon a lot of girls talk about how much they like it in the bum just to impress us blokes, but they don't really mean it. How about you, Sasha? You have an amazing arse, and I wank myself sore imagining that you like to take a hard prick in it. So, do you?

Matt, Edinburgh.

I like a man who gets straight to the point, Matt. So, yes, I do. Of course, it's got to be part of a whole night (or day) of sex. I want my pussy licked, I want to suck dick, I want my pussy fucked, I want to go through all the positions, and then I want it in my bum. I'm not just into going 'straight to the A' as they say in porn films, you've got to work up to it! ♣

NAME: Heidi **AGE:** 19

FAVE SEX: Lots of it!

WHAT'S SHE LIKE? A virtually irresistible sexpot.

WHY DID YOU WANT TO APPEAR IN CLUB INTERNATIONAL?

A girlfriend of mine was in it once and she said it gave her a modelling career and her sex life went through the roof. Either of them happening is fine by me!

AND THEY BOTH WILL.

That's sweet of you to say so. I just got out of a long-term relationship and forgot how wild sex can be. I'm rediscovering it and I hope some sexy letters from *Club* readers can inspire me.

WHAT'S THE BEST THING YOU'VE 'REDISCOVERED'?

Getting out of a rut is nice, and I've discovered I've got a bit of a bisexual side. I've got a couple of female fuck-friends now, and I'm hoping for a threesome with a girl and a guy soon.

CAN WE VOLUNTEER?

Well, I need plenty of volunteers, because my sex drive is through the roof. I'd got used to twice a week with my boyfriend, but now I want it twice a day and not everyone is up to that.

AND AS FOR THE MODELLING?

I'd love to be in lots more magazines and do some newspapers too, but I don't plan on being a porn star. Then again, I've got some kinky ideas, so maybe I'll go into directing porn films instead! ♣

Meet Monika: Here to save the Euro...

Among all the witless griping from Little Englanders about 'Poles taking our jobs' (i.e doing them better, cheaper and not acting entitled to 12 fucking tea breaks a day), we haven't heard much about what else we get out of the deal. After all, we've been going to Eastern Europe to cast our eyes over the finest fillies they have to offer, something unheard of in the days of the Iron Curtain. The EU has given us Monika, here, whose amazing boobs and smooth, inviting fanny would have been off-limits before the fall of the wall.

You've heard about the butter mountain and the EU wine lake. Well, we counter that with the EU tits and arse reservoir. We've only just skimmed the surface... ♣

BIG TIPPER!

When most people go to a restaurant for dinner, the night usually winds down with coffee and a nightcap or two. Well, I'm not most people. What I am is a leggy blonde who's dripping with high-class bling. Plus, I'm brazen as fuck, to boot. It's that shameless streak of mine that recently led to a bout of unbridled filthiness at a posh restaurant.

I'd arranged to meet a male fuck buddy for a late dinner. I'd booked the table for a mere hour before the restaurant was due to close, as it was only to serve as a starter for the sexual

feast to follow. Well, I was sitting there sipping a Cosmopolitan, getting progressively hornier, when my date called my mobile to grovellingly explain that he'd been unavoidably detained at the office. "Fine. Enjoy the rest of your life,

loser," I said, and cut him off. How was I going to get my fill of cock now?

A fit waiter in all his liveried glory approached my table. "Oh dear," he said. "May I be so bold as to suggest another drink, miss?"

"Yes you may," I replied. "But I'd rather you were bold enough to bend me over this table and fuck me senseless." I told you I was brazen!

"Well," the waiter said, "if that's the way you like to play it, I can oblige you after hours. Tonight me and my girlfriend have to lock up after the rest of the staff have gone home."

"Girlfriend?" I said. "Interesting... So which one is she?"

"Over there," he said and pointed at a fit blonde waitress. "So are you interested?"

I nodded that I was, pointed at my empty glass and said, "But let's keep that flowing."

Later, when the last staff member had gone, the door locked and the blinds drawn, Henry – the waiter – said, "Okay, assume the position."

"But where's your girlfriend?" I asked,

equally as eager to savour her cunt as I was Henry's cock.

"Here she comes now," he answered. I turned to see her walking towards us from the far end of the restaurant – completely naked. Nice. Saying nothing, I did as Henry had asked me to do. I wriggled out of my knickers and pulled my skirt up around my waist to give him a good look at my smooth-shaven gash and tight arse. "Oh yes," he said

with relish. Then he unzipped his trousers, pulled out his swollen dick, and started bumping the head of it against my pussy lips.

I gasped as Henry gently eased his helmet inside my slit. I gasped more when he started quickly popping it in and out of it. As he did so, his girlfriend Lucy – to whom I was never formally introduced – hopped up onto the table and slid in front of me with her legs spread wide and bent at the knees. Then she inched her way towards me until her cunt was directly in front of my face. It was pretty clear what she wanted, and I wanted it too. Burying my face in her pussy, I drank deep, lapping

“She inched her way towards me until her cunt was directly in front of my face”

and smacking my lips as I did so.

By now Henry was fucking me gently but deeply, and it felt incredible. Every now and then he'd grab me by the hips and vary the speed of his strokes. The first time he did so I withdrew my tongue from his girlfriend's cunt and rammed three fingers into its sweet wetness. She let out a yelp of pleasure, and started thrusting herself harder onto my digits. Then a look came over her face that said she was about to blow – and seconds later she did, in a blur of quivering flesh and squirting juices.

As his girlfriend lay in front of me with her eyes closed, panting, Henry suddenly said, "You ready?"

"Am I ever," I replied, emphasising that remark by slamming backward so that his balls slapped against my pussy, his dick buried inside me to the hilt. That's when Henry finally went into overdrive, slamming his cock in and out of my cunt with a ferocity

that took my breath away. Then I began tingling from head to toe as one of the most amazing orgasms of my life exploded in my twat, flooding my entire body – at the very instant that Henry filled my cunt with jizz. I decided to book a regular table...

TIGHT WEDDING!

There's nothing in the world I like better than anal sex with my boyfriend. In fact, it was our mutual love of arsefucking that brought us together, on the day we met at a wedding reception.

Although I'd never spoken to John, I'd seen him around enough times to have taken quite a fancy to him. So when I heard he'd also been invited to the event, I resolved to make a play for him. I dressed to impress in a tiny pearl pink satin mini-dress, which only just covered up the goods. I also wore stockings and – and here's the really dirty part – no

panties. I knew that I'd be revealing a lot sitting down or bending over in that outfit – and that was the whole point. Inappropriate attire for a friend's wedding, maybe, but I was on a mission.

Come the big day, I'd made an impression on pretty much everyone there. After the wedding itself was over, the bride and groom made their grand exit, and everyone began the serious business of getting drunk. A marquee had been set up in the grounds, and loaded up with tons of booze, which we guests proceeded to work our way through. As evening fell, I spotted John leaving the crowd in the marquee to smoke a cigarette in the garden. At last, my chance.

I quickly caught up to him, and asked for a cigarette. I wasn't really a smoker, I explained, but these big occasions always made me nervous. It really didn't matter what I said – he wasn't listening anyway. All his attention seemed to be concentrated on my pubic area

as my hemline fluttered in the gentle breeze, evidently giving him teasing glimpses of my pussy. We exchanged smiles, and that's all it took – suddenly we were in a clinch. It was quite a petting session – I almost came just from grinding my bare pussy against John's leg. I probably stained his trousers with my pussy juice.

Locked in a clinch, we gave no thought to

long-held desire, I still had enough presence of mind to avoid any risk of pregnancy. Since I'd rubbed pussy juice all around my nether regions, I knew that my arsehole would be lubed up enough to take a cock. So I leaned back and pushed my hips forward so that my pucker came into contact with John's helmet. He gasped in surprise, like he'd struck gold – brown gold. Reaching down, I squeezed his

“I jammed two fingers in her juicy twat, then a thumb in her arsehole”

the few people passing by in the gathering darkness. John hustled me off to a secluded corner where there was a low wall, which he sat on with his trousers yanked down. Taking my cue, I squatted down on his lap, ready for action. But even though I was about to fulfill a

balls to coax him inside. Then I clamped my thighs shut, and proceeded to give John the anal rollercoaster ride of a lifetime.

I propped up my body weight by planting my heels on the edge of the wall, giving me the leverage to bounce slowly up and down on his cock. More thanks to my technique than his, John's meat worked up my bum by degrees, and soon I was moaning so loud that any passers-by would know exactly what we were up to – not that I could care. Nor, evidently, could John, who pulled down the top of my dress to plant his face between my jiggling tits, making a weird sort of “Mwammawamma” sound.

My balance was so precarious, and my arsehole's grip on John's meat so tight, that each of my upstrokes and downstrokes took a good few seconds to execute. But that didn't stop my orgasm building quickly, and it wasn't long before I was cumming. Cumming so hard, in fact, that the pair of us almost toppled over that wall. Luckily John stabilized us both by grabbing my waist, pulling me hard down onto his cock as he blasted his spuzz up my shuddering bum.

It wasn't just the bride and groom who were united that day, but also me and John. Of course, after that little escapade, we don't get invited to many parties – but as long as we can pursue our shared hobby of public arse sex, we can make our own fun!

MATE'S RATES!

Call me a bastard, but a few months ago I fucked my best mate's girlfriend. To be honest, it wasn't something that I'd intended to do, it's just that... well, here's what happened.

As a way of getting acquainted with his new bird Chloe, my mate Jack invited me over to his flat for dinner. When she opened the door on the fateful night, Chloe proved to be exactly as Jack had described her – a cute, innocent-looking girl with platinum blonde hair and a gorgeous little body. "You must be Joe," she said, with a smile that shot tingles through my dick.

"That's me," I replied. "Pleased to meet you, Chloe."

She led me through to the living room where she had a bottle of white wine already on ice. "Only two glasses?" I inquired.

"Yes," she answered. "I'm afraid Jack's been held up at work."

"That's a shame," I said.

"Oh, I don't know," Chloe said. "I'm sure we can find something to help us pass the time." That tingle I mentioned? It moved up several notches and gave me a ridiculous hard-on – one that Chloe couldn't help but notice. "See," she said. "How about that something there?"

"But Jack's my best friend," I said, trying my hardest to look sincere.

"Yes, I know," she replied. "But I'm telling you, what you're packing there puts his cock to shame – and I want some of it."

I thought long and hard about the consequences of what we were about to do should Jack ever find out. Not! I said, "Be my guest."

Chloe dropped to her knees between

my open legs, unzipped my jeans and pulled out my prick. As her lips wrapped around my cockhead, it felt as though all my birthdays and Christmases had come at once. In fact, it took some serious control to stop myself cumming within 60 seconds of Chloe first clamping her mouth on my meat. But thankfully I didn't – even though it would have been fucking nice to splatter her tonsils.

Her head bobbing on my shaft, Chloe started undoing wriggling out of her clothes. When she was down to her underwear, she stopped what she was doing and said, "Follow me."

Seconds later she'd torn off her pants and was spreadeagled on Jack's bed. Diving on top of her, I clamped my mouth on her cunt. Then I poked my tongue inside her juicy minge and started slurping. She tasted so sweet, I would've been quite happy to spend the rest of my days down there. But Chloe had other ideas. "Don't take this too hard," she said. "But as much as I like getting eaten, I need your cock in my twat, not your tongue." Then she pulled my head up and planted a head-swallowing kiss on my mouth. "That was so I could get a taste of myself," she said, grinning like the proverbial cat that got the cream.

Still grinning, Chloe scooted to the edge of the bed, lay on her front and hung her legs over until her toes touched the carpet. Then she spread her pussy flaps wide and said, "You know what I want. You know what I need. I could see it in your eyes the moment we met – so drill me hard, you bastard!"

At that moment I offered up a silent prayer for the values of friendship, and decided to give Chloe the fucking of a lifetime. Two lifetimes, in fact – hers and mine. After all, she'd already proved that she was the kind of girl who wanted to be fucked, as opposed to be made love to. My instincts have always been spot on about these things.

I jammed two fingers in her juice-dribbling twat, then a thumb in her arsehole. She yelled. I wriggled the fingers inside her slit until they were good and gummy, then I slicked my dick with her stickiness. Penetrating her as deep as I could, I started hammering her to hell and back. Chloe thrust herself backwards to meet my every downstroke, and in what felt like no time we both exploded in a mess of jizz, cunt juice and sweat. Needless to say, neither of us see Jack anymore – but that's a price we're prepared to pay.

TIFF'S TRIFF! ♣

Model looks. Model style. Dirty mind...

We think you'll agree that Tiffany here has model looks – and she's had offers – so why isn't she wearing couture on a catwalk somewhere?

"It's too bitchy, and it's too limited. They say if you do porn you'll never work in mainstream modelling, but I'd rather have fun when I work, so I'm sticking with porn!"

Attagirl. And indeed if you search certain parts of the internet, you'll find Tiffany engaged in sexual congress.

"Fuck yeah! I'm having a ball," she says. "Getting money to suck a lovely cock or have my pussy eaten by an expert pussy eater? Those skinny fashion girls can keep their world, I'm sticking with this one."

Good choice, Tiff. ♣

PORN STAR RETIREMENT HOME

Where we look back at the cock-slurpers who hung up their chaps...

No. 13 – Flick Shagwell

A Brit this month, as we celebrate the sadly-on-hiatus career of one Flick Shagwell. Born in Wimbledon in 1979, Flick entered the world of adult entertainment in the year 2000, leaving the shores of home to make her fortune as a porn star in the US. She took the name Flick from the lead character in *A Bug's Life*, and Shagwell from the character Felicity Shagwell in the *Austin Powers* movies, but rumours abound that her real name might be Becky (although she's gone under a fair few nom des plumes in her time). With her girl next door looks and pert 32B boobs, she was a popular adult film actress, even if she never really set the world on fire. She managed to snag a couple of AVN Awards in the mid-2000s, but then jacked it all in sometime around 2006 to become a make-up artist. We're not sure of her current whereabouts, but it's safe to assume she's mopping jizz off the face of younger starlets and reapplying their lipstick these days, as opposed to getting a faceful herself. We'd like to see this perky brunette back on the end of a schlong again, so if you see her on your travels, do ask her to make an appearance again. For old time's sake.

BIRD OFF THE BOIL

YOU WOULD, WOULDN'T YOU? OR WOULD YOU?

THIS MONTH: **Fergie**

Okay, of course you would. Yeah, she might be in that preposterously shit 'band' Black-Eyed Peas, purveyor of the kinds of songs that make you want to shave your ears off, but she's pretty fit. But there's something not quite right about her. Maybe it's the eyes, or the puffy cheeks, but there's something about Fergie that makes her seem waaaaay more MILFy than she oughta be at the age of 36. She looks like a frisky aunt at a wedding, especially with her proclivity toward push-up bras and short skirts. She's trying too hard to be sexy, and for some reason her face is already telling you she's going to look like your nan within ten years. And no-one wants to wake up next to their nan. Still, you'd definitely give her one and so would I, end of story. And that night would probably be a good night.

NEWS OF THE SCREWS

YOUR MONTHLY ROUND-UP OF THE BIG STORIES IN THE PORN BIZ

3 DOUBLE-D

Hustler Video have announced that most of their upcoming hardcore epics will be shot in 3D from now on. They began the trend with their *This Ain't Avatar XXX* parody, followed it up by shooting *This Ain't Ghostbusters XXX* in three big lovely dimensions, and now say most of their big budget output will get the same treatment. With 3D tellies coming down in price, it looks like we'll all be dodging cumshots in the safety of our own living rooms very soon.

GREY MATTERS

Sasha Grey may have retired (for the time being) from porn, but the game-for-anything sex-minx is still causing controversy. Her recent appearance in the banned Eminem video for *Space Bound* (banned for violent imagery, rather than sexual, surprisingly) is just another notch on her non-porn career, along with the likes of her decent turn in arty director Steven Soderbergh's *The Girlfriend Experience*, her first photography book *Neü Sex*, and her membership of industrial noise band Telecine. So what's the sperm-sucking polymath gonna do next? More mainstream films on the horizon, we're told. She could be the new Julia Roberts at this rate. But a Julia Roberts you've seen with two cocks in her bum.

THE BIT ABOUT BABES WHO LOVE TO BLOG...

You know what they say about redheads – fiery tempers, freckles and ginger pubes. Busty 30-something porn goddess Kylie Ireland ticks all those boxes with aplomb (well, when her pubes aren't sheared off) and a few days spent checking out her tweets will certainly attest to that. She can fly off the handle pretty quickly with anyone who dares to dis her, she's clearly a smart cookie, and she has plenty of jokes to make at the expense of us Brits (which is mainly due to her fella being an Englishman). Kylie doesn't just star in porn; she's a radio DJ, street artist, porn producer and director, and photographer. She's also outspoken, witty and perfectly happy to post photos of her whopping cleavage from time to time. Let's check out some of her recent tweetage:

"Not to curse it or anything, but this day sorta has that 'fuck you' feeling to it."

"You can tell it's a really hot day when all the cats are melted and resemble Dali paintings."

"I have just been told that I take a good facial. Read into that what you will."

"Gotta get into the shower and get sexified! A stranger may arrive at my door soon..."

Follow Kylie at www.twitter.com/kylieireland to keep tabs on her exploits. Just don't be rude to her – you'll get an earful of abuse in return.

Top Five...

Pube Styles

Which way do you prefer your fanny presented?

5: The Bush

Made popular in the 1970s, The Bush is basically what happens to a minge when someone forgets to trim, shave or wax it. A slovenly disgrace, basically. Now only seen on 'progressive' porn stars who are trying to bring it back. We don't think it'll catch on.

4: The Vajazzle

Popularised by massive tanned slags in Essex, this silly style involves getting sequins glued on to the woman's pubic mound, therefore presumably causing much chafing during sex. The epitome of not classy at all.

3: The Landing Strip

Classy, elegant and stylish, The Landing Strip (or French Wax) involves shaving around the important bits (i.e. the love-lips) but leaving a handy stripe of pubes above it, so you know where to land the old fella.

2: The Brazilian

Once unheard-of, now the most popular way for a lady to fashion her cunt, the classic Brazilian removes all trace of hair, leaving said cunt looking peach-like. Also known as the Sphinx, for some reason.

1: The Bikini Wax

I like to see a little bit of pube myself, so the Bikini Wax (or American Wax) is perfect – retains the shape of the pubis, removes unsightly straggly hairs, leaving the pussy ready for action. Wouldn't have it any other way.

—ye olde days edition— PRICKIPEDIA SEXY SEX FACTS ABOUT SEX

Sex education was first introduced into English schools in 1889 (although back then it was mainly about obscene ladies' ankles)

Until 1884, a Victorian-era woman could be sent to prison for denying her husband sex (seems a bit harsh, but I've heard of worse laws)

The word 'sex' was coined in 1382 (apparently. No idea who by or why or where. But that's what it says here)

Napoleon's penis was sold to an American urologist for \$40,000 (which goes to prove that urologists are paid waaaaay too much)

OUTPHWOARS! ♣

Sonia's outdoor clothing: inappropriate!

We can't help but think that Sonia Red isn't properly attired for a ramble through the great British countryside. The weather could turn at any point and she'd find herself shivering like a shitting dog.

Where's the pakamac? The stout walking boots? The other stuff that people who can be arsed to walk about through twigs and leaves festoon themselves with? Okay, if she was toggled up like Janet Street Porter then we wouldn't get to see the good stuff, but we're worried about the poor girl.

The best we can do is prepare a roaring fire, a tumbler of brandy and wait for her to get in so we can help warm her up. Maybe a roll in front of the fire not dissimilar to the one in *Women in Love* would help. But with just the one bloke, naturally.

News just in: Sonia says it was really warm when she did this photoshoot, and won't need warming up by the snug hands of *Club*. Shame. Any other cold glamour babes in the area, you know where we are. ♣

GIVE IT SOME WELLY! ♣

Sandy makes a splash...

Such is Sandy's standing among *Club* readers that we almost bite her hand off whenever she wants to make a comeback, however brief. This time, we bit her arm off as well.

"I miss being in *Club*," Sandy says, "especially the big bag of post I'd get every month. But I'm running my own business now, so I don't get to share my pussy too often any more."

Well, even a glimpse is welcome in these parts.

"Oh, I'll keep giving you a glimpse whenever I can. If I could choose one bunch of fans in the whole world to keep happy, it'd be *Club* readers!" ♣

GAME OF BONES!

After True Blood's vampire-vag overload, HBO's latest classic gives us stacks of medieval minge!

Whether you're a dodgy downloader, or you're lucky enough to have Sky Atlantic on your squarial (or whatever they're called these days), chances are you've come across *Game of Thrones*, HBO's blockbuster series based on a series of sword-and-dragons fantasy books by George R. R. Martin.

Such a hit that they greenlit series two just hours after the premiere, it starred Sean Bean, Mark Addy, Aidan Gillen, Lena Headey and brilliant whoring dwarf Peter Dinklage. But best of all was newcomer Emilia Clarke. Playing Daenerys Targaryen, she knocks around with a bunch of monosyllabic muscle-men called the Dothraki, and spends much of the show with her top dragons out.

Equally fit is Roxanne McKee, a girl who once claimed the coveted 'Sexiest Female' gong at the British Soap Awards for her role as Louise Summers in *Hollyoaks*. She plays Doreah, a concubine, who does some naked bath stuff that makes us wish we didn't have modern sanitation and power showers. Bring on series two and stacks more smoo! ♣

Emilia:
There be dragons.

Roxanne McKee: From
Hollyoaks to hornbag.

WE ALL ADORE-A...♣

...Kiara. She's juicy!

Kiara isn't happy.
 "I thought I was going on the cover of *Club*? I've been so excited about it and now I find out I'm not on there!"

Yes, we're sorry. All we can say, Kiara, is that in any other month you'd have been sitting pretty on the cover of *Club*.

"So what happened? Who bumped me off?"

Here. Sunny Lane and her friend Alyssa. They're playing with soap and hosepipes.

"Okay. Actually, that's fair enough. I can totally understand. In fact, can you leave me alone with those pictures for a few minutes?" ♣

VERA'Y NICE! ♣

...and Nataly's not too shabby either!

We had a whole heap of challenging, probing questions lined up for the lovely Nataly and Vera. However, when we turned up, dictaphone in hand, we couldn't get their attention for more than a cursory 'hello'.

Nope, while our questions hung in the air like a bad smell (by the way: not guilty), they fucked the hell out of each other. Tongues, toys, twats and lots of things that don't even begin with a 't' were all in play, with Vera taking her mouth off Nataly's pussy just long enough to tell us that she hadn't had sex for 3 weeks, hence how ravenous she was for cunt. Vera was more than happy to be the recipient of such close attention. As you would be.

In the end, we just gave up with the questions and settled in for a very pleasant afternoon watching two ladies do things of little biological purpose but of intense aesthetic interest. It got messy, it got wet, it got noisy and everyone left happy. And when we left, it certainly wasn't with dictaphone in hand. Oh no... ♣
